

## Catalogue of product groups - Layout of product group key

	Main group products
1	Utilities, supplies and operating resources
2	External services
3	Semi-finished products and raw parts
4	DIN- and standard parts
5	Electronic parts
6	External production parts (design)
7	External machines, components + subsections
9	Investments

The main sub-division for product groups to be purchased is demonstrated by the digits 2-4 of the product group key.

e.g.: group ke	eys for tempering	2	3	2	3
